RE: New Inglewood Basketball and Entertainment Center Project AB 987 Application
(State Clearinghouse Tracking No. 2018021056)

Dear Ms. Gordon:

On behalf of MSG Forum, LLC, we write to confirm that the Office of Planning and Research will provide the public, including all community members, Uplift Inglewood, Inglewood Residence Against Takings and Evictions, NRDC, Climate Resolve, and MSG Forum, with 30 days to review and comment on the new materials the Clippers submitted on June 12 for the Inglewood Basketball and Entertainment Center Project (the "Project").

The submission, exceeding 70 pages, appears to try to address the many criticisms raised by MSG Forum, the community and environmental groups. While we have not had an opportunity to review the new materials in any detail, a cursory review indicates that the submission is effectively a new application. As such, it will take time for interested parties to analyze and comment on this material properly.

Accordingly, we respectfully request that your office confirm that the public will have 30 days in which to review and comment on the Clippers materials. We further note that as of the writing of this letter, the new materials are not yet posted to the Governor's Office of Planning and Research's website. Thus, we also respectfully request that the public's comment period run from the actual date of posting.

We very much appreciate your attention to this matter. If you have questions, you may reach me at (213) 891-8196.

Very truly yours,

George J. Mhlsten
